

CASE STUDY

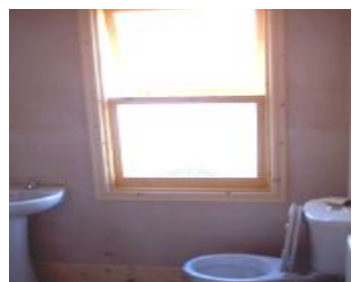

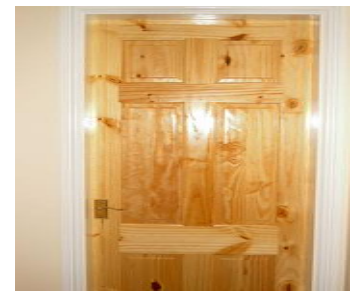

Hawkesley Road - Longbridge
Birmingham

Background:

This property was originally made in Canada out of Canadian pine, then shipped over and erected to accommodate the Longbridge workforce in 1946.

Apple Solutions involvement in this renovation comprised of fitting new plaster board walls and ceilings, a bathroom and full central heating system. All doors and floors were stripped back to existing timber and varnished. Purpose made sash cord dummy windows were made & fitted. The property was also painted through out.
